WARRIOR ADVENTURE QUEST

The Warrior Adventure Quest (WAQ) is a DA approved and endorsed program under Executive Orders for all units. WAQ is designed to re-create the adrenaline rush of combat action in a supervised, controlled, high adventure activity which is supervised by Outdoor Recreation staff.

WAQ instills cohesion, builds teamwork and maintains combat readiness through high-adventure activities. This program enables Soldiers to reach a “new stage of normal” by diminishing boredom and high-risk behavior, through outdoor recreation and a Leader – Led After Action Debriefing L-LAAD.

WAQ is offered at no cost to units. All units are now eligible for participation. Non-deploying units can attend once every two years. Units within 120 days prior to a deployment or 120 days after a deployment may attend during that time frame. Funding will be provided upon successful completion of the activity and fulfillment of Post-Activity Survey.

All WAQ activities will take place on weekdays, during regular duty hours. This program is not to be confused as a free recreation day. Please do not schedule a WAQ activity day in conjunction with any other event i.e. unit organization day, FRG gathering, family days, Army birthdays, promotion ceremonies, bake sales, etc. Distractions like these will cause the activity day to be cancelled.

The WAQ program is a Leader and Soldier Program designed to support the Ready/ Train and RESET phases of the ARFORGEN process. The objective of WAQ is to create a sustainable, enduring program that Army leaders recognize as a viable means to assist Soldier re-integration, maintain combat readiness and increase unit cohesion. Each activity will be followed by a (L-LAAD) and Post- Activity survey. This is designed to draw similarities between the high adventure activity and their Warrior experiences. The L-LAAD will be conducted by unit leadership (Squad Leader, NCOIC, OIC, Commander, etc.) The designated L-LAAD facilitators will need to meet with a WAQ representative the day prior to the event. WAQ representatives will teach the leaders how to properly conduct an L-LAAD.

INSTRUCTIONS FOR UNIT PARTICIPATION

1. Unit Designated Training Coordinators (PSG/PL or higher) contact USAG Bavaria Outdoor Recreation Warrior Adventure Quest to schedule activity 3 weeks prior to selected date.
 - Execution: Target train/ready units within 120 days of deployment, RESET units within 120 days of redeployment and units with no impending deployment
 - Group size: Limited to one platoon (30-40 people) per day
 - Activity duration: 8 a.m. – 5 p.m. (one hour for lunch)
2. Dates provided on a first come, first-served basis. Activities include but are not limited to:

HOHENFELS OUTDOOR RECREATION DSN 466-2060 OR CIV 09472-83-2060

- Skiing and Snowboarding offered Tuesdays (January- March)

UNIT RESPONSIBILITIES:

- Confirm unit will have a facilitator present for the Leader-Led After Action Debriefing (L-LAAD) Training.
- Conduct Soldier Training prior to attendance: Information on why the Army is providing WAQ.
- Each Soldier will also complete a mandatory WAQ post-survey on the day of your scheduled activity. This tracks soldiers in attendance and funding.
