## WARRIOR ADVENTURE QUEST

Warrior Adventure Quest (WAQ) is a DA approved and endorsed program under Executive Orders for all units. WAQ is designed to recreate the adrenaline rush of combat action in a supervised, controlled, high-adventure activity, which is supervised by Family and MWR Outdoor Recreation.

WAQ instills cohesion, builds teamwork and maintains combat readiness through challenging activities. This program enables Soldiers to reach a "new stage of normal" by diminishing boredom and high-risk behavior through outdoor recreation and a Leader-Led After Action Debriefing (L-LAAD). Soldiers will be able to draw similarities between the adventure activity and their Warrior experiences. This portion will be conducted by unit leadership (Squad Leader, NCOIC, OIC, Commander, etc.).

WAQ is offered at no cost to units. Funding has been provided by the Department of the Army. All units are now eligible for participation. Non-deploying units can attend once every two years. Units who are 120 days prior to deployment or 120 days after deployment can attend during that time frame.

All WAQ activities take place during duty hours. Only available to Service Members.

WAQ is a Leader and Soldier Program designed to support the Ready/Train and RESET phases of the ARFORGEN process. The designated facilitator will need to meet with a WAQ representative prior to the event. WAQ representatives will teach the leaders how to properly conduct an L-LAAD.

## HUNTING, FISHING & SPORT SHOOTING

The Hunting, Fishing and Sport Shooting program (HFSS) is a great resource for upcoming hunts. HFSS can find hunting opportunities in the local area with Federal, State Forestry and private hunters. The office assists with the submission for registering firearms and contact information for purchasing firearms from private citizens.

Hunting in Germany is steeped in customs and traditions and has often been exclusively for the upper class until the past 30 years or so. Gun ownership in Germany is a privilege, and there are strict guidelines that must be followed to own, store and fire a weapon. One way to possess a firearm is to pass an authorized hunting course that HFSS offers.

### HUNTING

Tuesdays, Wednesdays and Thursdays | August - November, 6-9 p.m.

The hunting course is approximately 10 weeks and meets all the requirements of German law. The course includes blocks of instruction on safety, customs, traditions, shooting, proper weapons handling, laws and all game animals found in Germany. Includes 20 .308 rounds, five pistol and five revolver rounds. Shotgun ammo, weapon rental and range fees are not included in the course fee. Registration is required. Price: \$250/person (Minimum 10 students per class)

#### BJV SHOOT "REH BUCK SHOOT"

# NATURE: CAMP GROUNDS

### ENJOY THE TRADITION OF CAMPING

Experience the fresh air and beauty of nature at Wild B.O.A.R. Outdoor Recreation camp grounds! Camp on-site in close proximity to the splendid Dickhäuter Lake, which is open to both kayakers and canoers.

The camp grounds include 20 utility sites (220V only) and four primitive sites. Showers and bathrooms are conveniently located next to the camp grounds. Camp sites and amenities are available for reservation throughout the year.

Cost for camp sites are \$10 per tent per night or \$15 for the weekend.

Make reservations in advance and plan to secure camp sites as early in the day as possible. Camp grounds may fill quickly, especially during peak season (July - August). Parking or off-loading in the camping or picnic area is not permitted.

Wood and charcoal fires are allowed in the designated bonfire pit and inside the camping area only in an elevated basin.

Pets are welcome as long as they are leashed at all times.

Please be courteous of your neighbors! Quiet hours are from 10 p.m. - 9 a.m.

Because food and odors attract wildlife, items such as cooking stoves, utensils, coolers, trash bags, food and toiletries may not be left outside or in tents, unless they are in immediate use!

There are several RV sites with full hook up located at Rose Barracks at the Big Mike RV site.

### EXPLORE THE NATURE TRAIL

Starting at Wild B.O.A.R. Outdoor Recreation, the trail winds through a typical forest of the local area and introduces many aspects of ecology and environmental protection in the Grafenwoehr Training Area. The local flora and fauna of the Grafenwoehr Training Area is quite pronounced and waiting to be explored.

The trail features several information guides with facts on topics such as trees, butterflies, soil, wetlands, wildlife management and forestry management. Interactive objects along the trail create an entertaining learning environment for young and old alike! At a leisurely pace, the nature trail can be completed in about one hour and is suitable for children and families with strollers.
